Congratulations!

You've decided you're ready to take the journey to a fresher you.

Lucky for you, you're able to finance your dream procedure at 0% interest (credit permitting) for 6-18 months by obtaining financing through our affiliate, The Best Medical Business Solutions. A credit card can be obtained in your name, letting you walk out the door with your procedure scheduled, getting you well on your way long before payment is due.

Ready to apply for financing?
View your options here.

When can you begin using this financing option?

Typically, your card will arrive in 7-10 days. Once your card arrives, present the information to your physician to begin financing your procedure.
